#### NOTICE TO THE PUBLIC.

We desire to caution the public against the misrepresentations being made by the so-called cooks and waiters union in regard to the number of hours our employees work.

The facts are that the cooks and waiters and all other help employed by us in our restaurant for the past three months work only eight hours for a day's work and we challenge evidence to contradict these facts. Following is the scale of wages we pay.

Cooks, \$4.00 per day, 8 hours.  
Waiters, \$3.00 per day, 8 hours.  
Dishwashers, \$2.25 per day, 8 hours.  
Time and one-half for overtime.  
The above wages include board.

### UNITED ARIZONA RECEIVES GLOWING REPORTS ON MINE

Sulphides Continue, Cross-cut to Start Immediately—Eastern Brokers May Take All of the Stock.

Messrs S. S. Badger and E. T. Jones, of Douglas, directors of the United Arizona Mining Co., came up from the Smelter City yesterday to see the local representative of the company, W. L. Martin. They report the outlook at the mine as very flattering, the sulphides continuing to show in the bottom of the shaft.

They expect the cross-cut at the 150-foot level to be started by the first of next week, and say it will take about one week to strike the vein of rich ore which pitched out of the shaft at the 100-foot level. When they strike this vein they will drift on it to strike the big porphyry dyke.

They further stated that negotiations were under way to place the larger portion of the block of stock at 50 cents a share with eastern brokers which will limit the amount available here at that price.

#### FATHER PATRICK J. MURPHY.

The Patrick Henry of the Prohibition Movement Coming.

He will speak on Prohibition at the Y. M. C. A. hall Friday evening, Sept. 22, at 8 o'clock. The New Mexican, of Santa Fe, New Mexico, says the address of Father Murphy last night in the court house was a dynamic and an eloquent attack on the saloon. He drove home into the minds of his hearers the menace that the saloon is to every ideal of a Christian community, and to every upward tendency of civilization. He nailed, in phrases of ringing denunciation, the lie that the Catholic church is the political ally of the liquor interests.

The New Republic, of Columbus, O.: "The gallant philippics of Father Patrick J. Murphy in Santa Fe, N. M., were delivered on the special invitation of the most Reverend Archbishop of that historic city. In rare human eloquence those addresses have seldom been equaled in a dry contest." Be sure to hear him Friday night.
